**MedPure** is a leading provider of compliant healthcare staffing solutions. We specialise in placing agency nurses to the NHS and private sector.

Our nurses are carefully recruited, highly skilled healthcare professionals, trained and validated to deliver hands-on patient care in hospitals.

We use our healthcare staffing expertise to match the ideal individual to the specific requirements of every role for every client. At the same time our friendly team strive to save our clients time and resources.

We work closely with **NHS Trusts** across the UK to provide a people orientated, dependable service that is both agile and scalable. Our reliable solutions are partnership led to ensure we, and our workers, exceed our clients expectations every time. This quality has been accredited with our placement on both the **Health Trust Europe** and **Workforce Alliance Frameworks**.

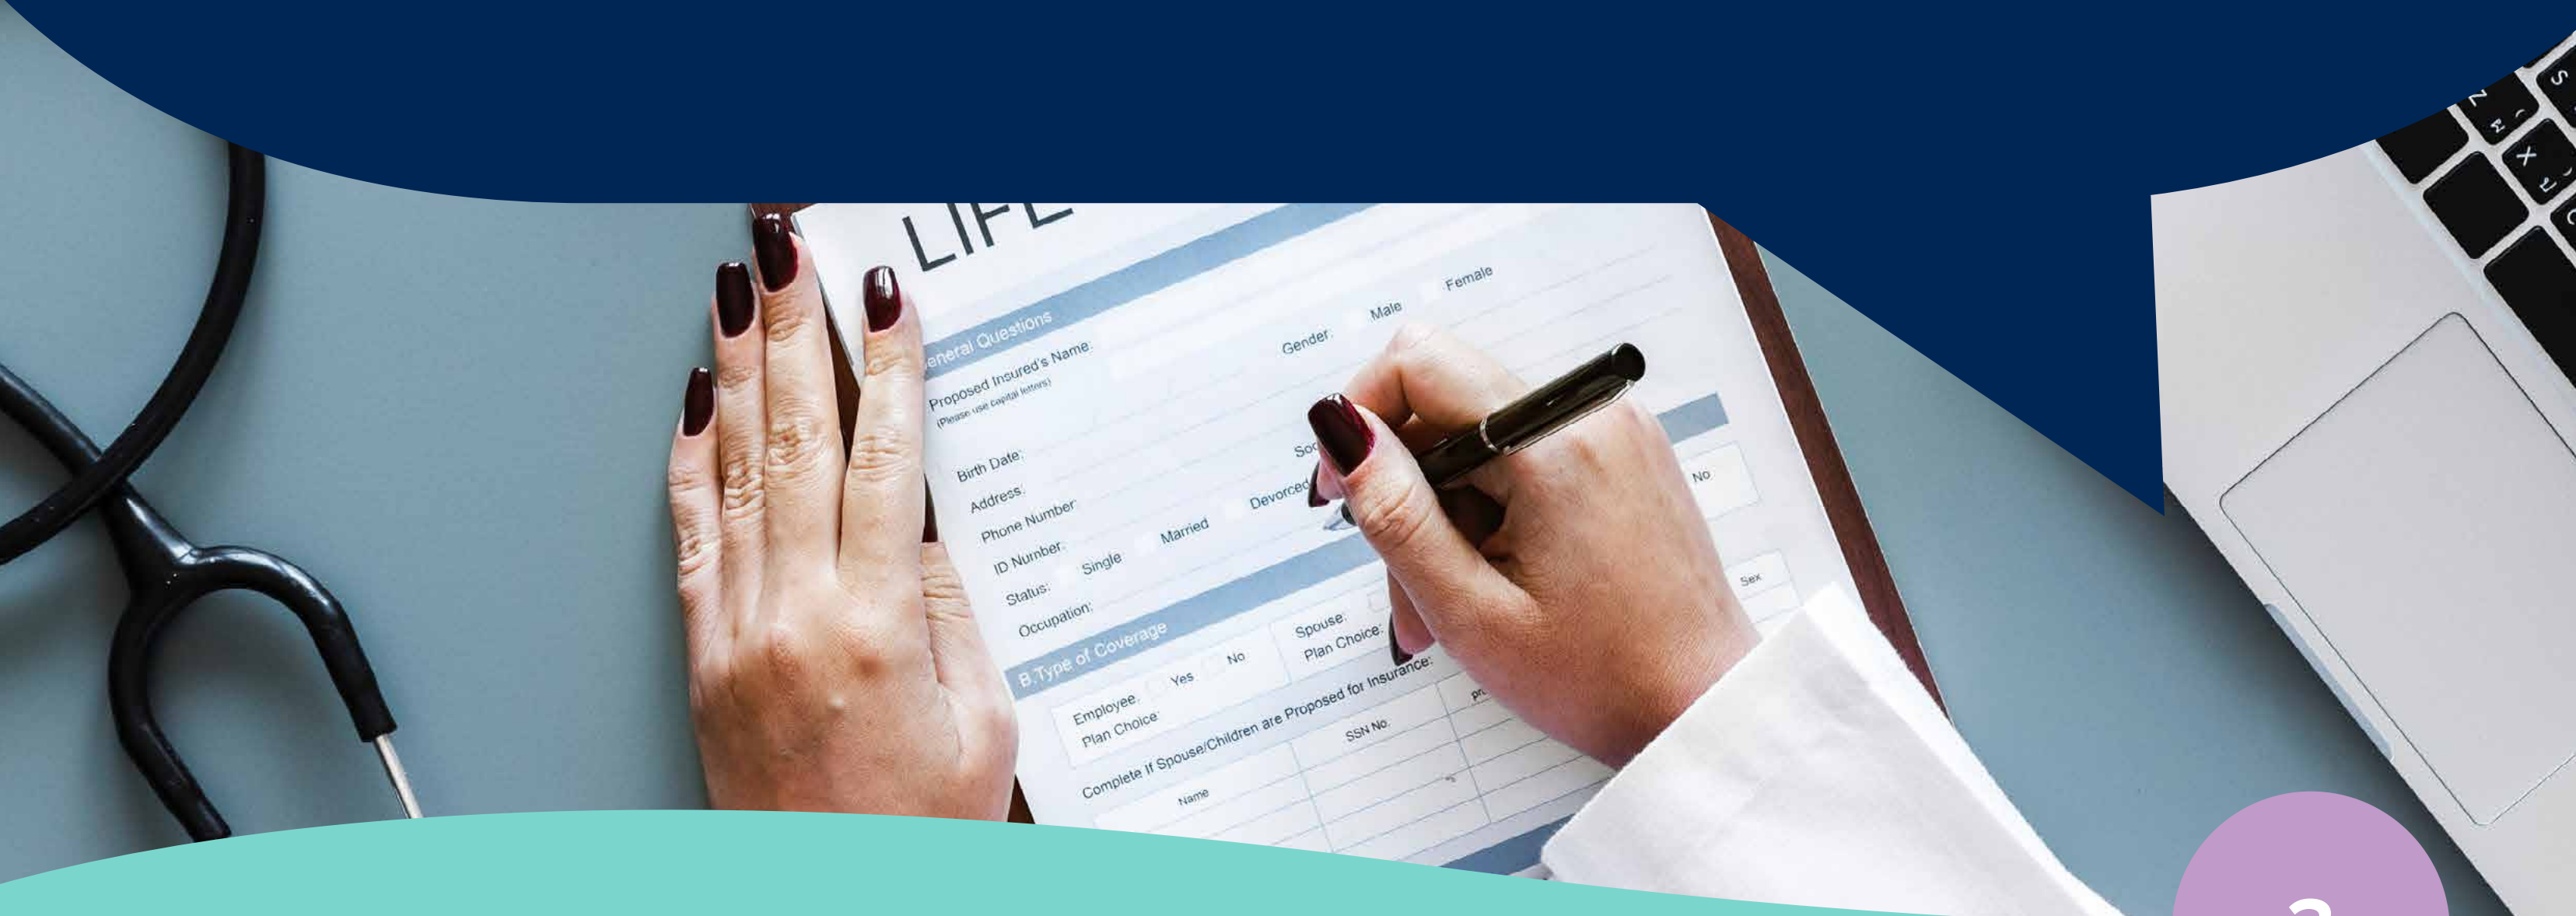

## Our Mission

We do what we do because we want to improve people's lives and positively impact society.

This is our mission and we deliver against it by partnering with our clients to place the right healthcare professional to each and every requirement to best support patient care and improve outcomes.

It gives us all something to collectively work towards, constantly challenging us to think about the impact we have. Along with our shared values of **Quality**, **Partnership**, **Expertise** and **People** – it helps us focus on not just what we do but why we do it.

## Quality

**We're driven by an uncompromising commitment to quality and compliance because patients' lives depend on it.**

We pride ourselves in our stringent approach to compliance across all aspects of staffing provision. We have robust vetting and governance procedures that are reflected in the quality of staff we supply and the standard of care they provide.

Our consistent quality has been recognised by our inclusion on the Health Trust Europe and Workforce Alliance frameworks - giving you complete peace of mind and assurance of our delivery.

## Partnership

**Our partnerships are built on trust, and that trust is earned by consistently delivering on our promises.**

We increase our clients strategically ensuring we build partnerships based on good service and understanding. This allows us to listen to the needs of our clients and deliver solutions that exceed expectations every time.

We build the same partnerships with our nurses. We foster strong personal relationships, pay them well and ensure their own needs and priorities are met.

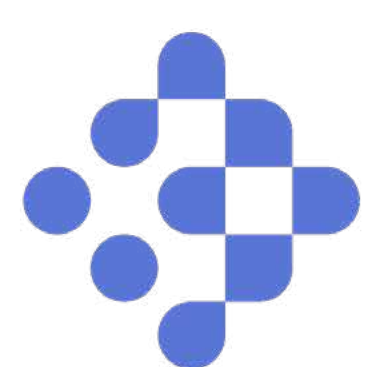

## Expertise

**We have a wealth of healthcare knowledge and expertise, there is no body better to safeguard your success.**

Our responsive and reliable teams have deep industry expertise. They understand the recruitment issues facing the NHS and Private Sector Hospitals and focus exclusively on nurse placements.

We gather the correct information to gain an understanding of your organisation's unique challenges ensuring we match the skills and experience of our candidates to your vacancies.

## People

**We understand that every client is different and tailor our people-first solutions to meet and exceed every individual requirement.**

Our technology helps us do the work we do, but it will never replace the personal connections we enjoy with our partners and healthcare professionals.

Our team are committed to providing a bespoke service by getting to know you. This is our on-going commitment to you and we believe it builds stronger relationships and delivers quality patient care.
